

ESG Sustainable Solutions 4.0

Detailed Course Syllabus

Peak M&S Education Centre · Hong Kong

Why This Course

- GSF-listed (GTP-692242): government reimburses 80% for working professionals, 100% capped for students
- Complete in one weekend — Saturday & Sunday 12:00–18:00, no need to take leave
- Hands-on: analyse real HKEX ESG reports, calculate Scope 1-3 emissions for a real company
- Cantonese taught with English ESG terminology — built for Hong Kong professionals
- Max 30 students per cohort for personalised attention
